ABOUT CENTENARY COLLEGE...

Founded in 1825, Centenary College is the oldest private liberal arts institution west of the Mississippi. Centenary provides a superior education for students capable of intellectual leadership and for those who can benefit from study in an academic community where excellence is encouraged and individuality is respected. Centenary places emphasis on preparations for various professions. The college is an institution of the United Methodist Church.

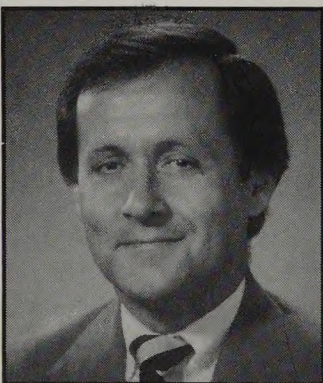

Centenary boasts a student/professor ratio of 11 to 1 for 1110 graduate and undergraduate students, while classes rarely exceed 30 in popular introductory courses. Centenary is a member of the Southern Association of Colleges and Schools. The college offers the Bachelor of Arts, Bachelor of Science and Bachelor of Music degrees in 37 subject areas and a broad range of programs in a variety of pre-professional and interdisciplinary fields. Recently, a Centenary education was recognized in "Money's Guide to the Best College Buys" as the 22nd "best buy" in the U. S. based on quality of education and competitive pricing.

Shreveport is located on the west bank of the Red River in Northwest Louisiana. The metropolitan area has a population in excess of 300,000 and forms the geographical, cultural, and economic center of the region known as the Ark-La-Tex. Centenary is located two miles from downtown Shreveport and is widely known for its natural beauty and stately Georgian architecture.

Centenary is a charter member of the Trans America Athletic Conference (est. 1978) and sponsors 14 men's and women's intercollegiate sports. Centenary sponsors basketball, baseball, soccer, cross country, tennis, golf, and rifle for men. For women, the sports include soccer, cross country, volleyball, gymnastics, tennis, softball, and rifle. Centenary is the home of current NBA great Robert Parish, PGA star Hal Sutton, and former Olympic gymnast Kathy Johnson. In the 14-year history of the TAAC, Centenary has won 10 conference championships. The Centenary Athletic Department was the recipient of the Jessie Fletcher Award in 1983-84 for the TAAC's best all-around program and has been runner-up in the years 1987-88, 1988-89, and 1989-90.

Dr. Kenneth L. Schwab

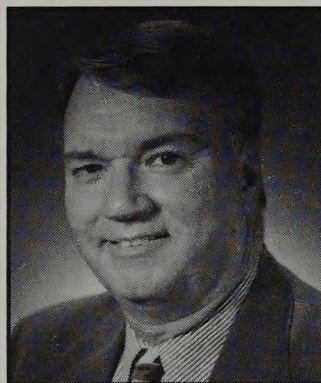

An award-winning educator with a keen interest in leadership and strategic planning was named Centenary College's 34th President in 1991.

Dr. Kenneth L. Schwab came to Centenary from the University of South Carolina where he was Executive Vice President for Administration and Associate Professor of Education in the Department of Educational Leadership and Policies. He has taught graduate courses in leadership in higher education and institutional planning and research and is credited with the establishment of a strategic plan for the total University system. Prior to that, Dr. Schwab served 16 years at Guilford College, a private college in Greensboro, NC.

Dr. Schwab holds the Doctor of Education degree (1978) from Indiana University, Master of Education degree (1972) from the University of North Carolina-Greensboro and the Bachelor of Science degree (1969) from Purdue University, where he graduated with honors as the 1969 Outstanding Senior.

Dr. Schwab and his wife Pat (who also has a doctorate degree in education) are the parents of three sons: Kempton, Carlton, and Christopher.

Tommy Vardeman

Tommy Vardeman is in his first year as the Athletic Director of Centenary College, but has been an important part of Centenary athletics by serving as the head basketball coach for the past five seasons.

The Center, TX, native came to Centenary in 1979 as an assistant basketball coach. After spending ten years as an assistant/associate coach here, Vardeman earned his first collegiate head coaching position at the end of the 1988-89 season.

Since then, Vardeman has posted a 58-56 (.509) career mark as well as earning Trans America Athletic Conference Coach-of-the-Year honors after earning a TAAC Championship in 1989-90 and a second-place finish in 1990-91.

His success, though, is not restricted to the court. The Gents basketball program was recently recognized as being one of only 14 Division I schools in the nation with a 100% graduation rate for the 1983-84 and 1984-85 freshmen classes.

This past summer, Vardeman was named Centenary's Athletic Director after Walt Stevens announced his retirement.

Vardeman and his wife Sharon have two daughters: Julie and Jennifer, both of whom are Centenary graduates.

The Seniors

The 1994 Senior Ladies are (L to R): *Michele Hyden, Donna Krolczyk, Marnie Thornton, and Kristy Risner*

ON THE COVER

Senior pitcher Donna Krolczyk looks to lead the Ladies this year to a TAAC title and a berth in the NCAA tournament.

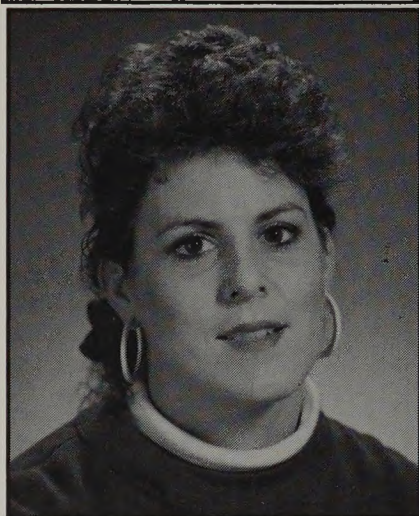

Head Coach LANEIGH CLARK

In the fall of 1990, Laneigh Clark became the second head coach of the Centenary Ladies softball program upon the resignation of the woman she played with at Louisiana Tech -- Tami Cyr.

The Houston, TX, native came to Centenary after spending four years as a softball and basketball coach at Houghton (LA) high school.

As a Lady Techster, Clark teamed with Cyr to help lead Louisiana Tech to four straight trips to the College World Series. A four-year starter, she was a versatile player, seeing time at catcher and in the outfield.

Now 30, Clark is married to James Clark, the Centenary College head rifle coach.

Asst. Coach MICHAELA MEREDITH

Coach Michaela Meredith enters her third year as assistant softball coach at Centenary. Meredith brings a 20 year history of competitive softball with her every time she steps on the field.

In that twenty year span Meredith was named to the first team American Softball

Association Slowpitch All-American twice, in 1991 and then again in 1992.

Meredith earned her Bachelor of Arts degree in Art Education from Louisiana State University-Shreveport. Her degree has served her well as she teaches art at Loyola College Prep, as well as serves as Assistant Coach of the girls basketball team.

When not on the hardwood or at the field, Meredith enjoys competitive golf and tennis, along with photography.

NCAA TOURNAMENT

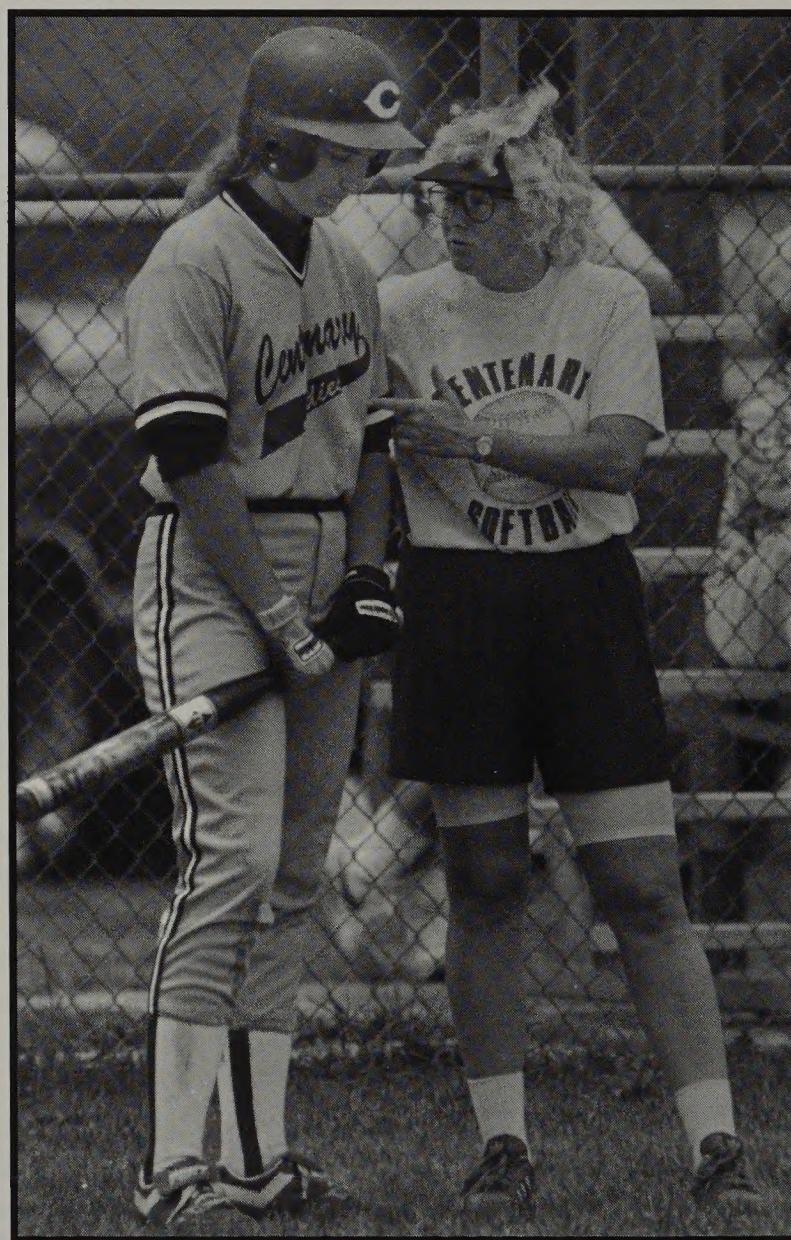

As softball has grown into a major national sport, so has the Trans America Athletic Conference's status in that sport.

With the tremendous success of 1993 TAAC Tournament champion Georgia State as well as other conference schools, the TAAC has made a name for itself in the softball community. As a result, the 1994 TAAC Tournament champion will receive an automatic bid to the 1994 NCAA Tournament.

This season, the conference will divide into two divisions. The Eastern Division will feature TAAC Tournament runner-up Stetson, College of Charleston, and Mercer while the Western Division will consist of Centenary, Samford, Georgia State, and Southeastern Louisiana.

Each team will play home and away doubleheaders with their divisional opponents. All seven teams, though, will be eligible for the conference tournament at the site of the Eastern Division champion. The seven teams will compete in a double-elimination format to determine the conference's representative to the "Big Dance."

"Having the automatic bid is a big boost to our conference," says Centenary Head Coach Laneigh Clark. "All the conference games take on added significance and it helps out tremendously on the recruiting trail."

Head Coach Laneigh Clark discusses strategy with junior first baseman Christie Hulsey. Hulsey led the team and the TAAC with three homeruns in 1993.

1994 LADIES OUTLOOK

FRESHMEN & RETURNEES COMBINE TO HELP LADIES REGAIN WINNING TRADITION

After a disappointing 1993 season, Centenary Head Softball Coach **Laneigh Clark** is ready to put the past behind her -- way behind her. After starting out winning seven of their first 11 ball games, the Ladies began a steady decline that ended with their early elimination in the Trans America Athletic Conference Tournament. With seven starters and 11 letterwinners returning though, Clark is looking toward the 1994 campaign with optimism.

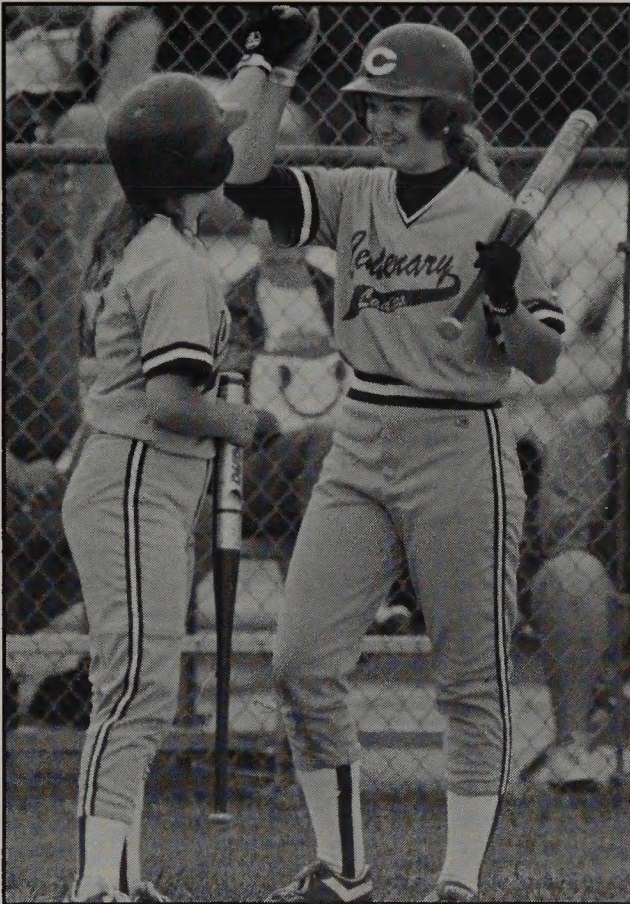

It will not come easy as the Ladies face a tough NCAA Division I schedule without two of their best hitters of 1993 in the form of outfielder **Jamie Humphreys** and third baseman **Julie Winton**. Humphreys finished third on the team, hitting .273 with six doubles, two triples and two homeruns on the year. Winton batted .265 and led the Ladies with eight doubles and provided great defense for the Ladies at the hot corner.

"We've lost some good players but I feel confident that we will be able to handle it," says Clark. "If we can get some leadership from our upperclassmen and our freshmen play to their potential, we will be able to surprise a lot of teams."

PITCHING: The Ladies will be at full strength in this category, returning all three pitchers. Senior pitcher **Donna Krolczyk** (7-10, 2.84 ERA, 56 K) returns for her final season on the mound. A two-time All-Trans America Athletic Conference performer, Krolczyk tied for the team-lead with seven wins and finished fourth in the TAAC with 3.534 strikeouts per game. When not pitching, Krolczyk is a great asset to the team offensively, hitting as the designated player. Her .291 batting average led the team and her 18 RBI tied her for first.

She will be joined by fellow senior **Marnie Thornton** (7-18, 3.49 ERA) who also finished the team with seven wins. This duo combined to start 43 of the Ladies 45 games in 1993. Sophomore **Amy Coleman** (0-3, 4.05 ERA) also returns after seeing time in six games last season and should see more time in 1994.

THE INFIELD: Senior

1994 Preseason All-TAAC selection **Christie Hulsey** (R) talks to 1993 All-TAAC player **Kristy Risner**. Risner, senior shortstop, and Hulsey, junior first baseman, should anchor the Ladies infield.

shortstop and All-TAAC player **Kristy Risner** will be the heart of the Ladies defense in 1994. The New Caney, TX native looks for improvement after batting .250 last season and is a steady force in the infield with her glove. Junior first baseman **Christie Hulsey** is the leading offensive returnee after hitting .280 with three homeruns (including one against nationally ranked Texas A & M) and looks to keep up the pace in 1994 after leading the team with a .409 slugging percentage and a .364 on-base percentage.

Three freshmen should make a big impact for the Ladies. **Angell Floyd** (Buckeye HS) is penciled in as the starting second baseman and could also pitch in 1994. **Robin Rackley** (J. Frank Dobie HS) will provide some much needed leadership for the Ladies behind the plate after Centenary opponents stole 101 out of 109 bases while **Cara Couvillion** (Redemptorist HS) will provide stability at third base. Senior **Michele Hyden** could see time at either third or on the mound. The Dallas, TX, native started in 22 games last season but should see much more time this year. Sophomore infielder **Lisa Treadaway** will also compete for playing time. A

local high school player out of Shreveport's C.E. Byrd HS, Treadaway started 32 games at second base in 1993.

THE OUTFIELD: With some juggling in the lineup by Clark, the 1994 Centenary Ladies softball team could sport the All-Southwood HS outfield. Junior **Lori May**, sophomore **Kelly Griffin-Humphreys**, and freshmen **Kristie Huff** and **Tara Hammack** all attended the Shreveport high school. May had a tough season offensively batting .174 but is solid with her glove in the outfield and assisted on two double plays. Griffin-Humphreys is a speedy player who can cover a great deal of territory in a hurry. She also saw time at catcher in 1993 but will probably spend most of her time in center field this season. Huff and Hammack will also compete for playing time after stellar high school careers. Sophomores **Debra Pratt** and **Shelley Marusak** will undergo the transition from soccer to softball. The two play for the Centenary Ladies soccer team in the fall but will make the conversion to the hard, yellow ball quickly. Newcomer **Lacy Crouch** (Belaire HS) will add additional speed to the outfield.

THE SCHEDULE: The road to the TAAC Championship will not be easy though as the Ladies face a rigorous NCAA Division I schedule. The Ladies will compete in the Northwestern State University Warmup as well as the Northeast Louisiana Mardi Gras Classic and look to defend their second place finishes in both tournaments last season.

Centenary will also play in the Aggie Invitational at College Station, TX and the Frost Cutlery Invitational at Chattanooga, TN where they will face some of the top teams in the nation.

The Ladies will host Texas-Arlington and intra-state rivals Northeast Louisiana, Louisiana Tech, Northwestern State, McNeese State and Southwestern Louisiana. They will also hit the road to face these schools and Nicholls State.

This season, the Ladies will compete in the TAAC Western Division and face 1993 TAAC Champion Georgia State, Southeastern Louisiana, and Samford both on the road and at Centenary. All teams will compete at the 1994 TAAC Tournament at the Eastern Division champion on April 29-30.

RETURNING LADIES

#1 LORI MAY, OF, 4-11, Jr., R-R
Shreveport, LA (Southwood HS)

Local high school standout who will lead the Ladies' outfield..The consummate two-hole hitter 1993: Hit .174 on the year after playing in 45 of 46 games...Recorded two doubles and 10 RBI...Also, assisted on two double plays from left field including one against TAAC rival SLU at the TAAC tournament. 1992: Started all 34 games she played in...Named the TAAC Player of the Week after hitting the game-winning two-run double in game one of a doubleheader sweep against Delta State. **High School:** Played for two years at Southwood HS under Coach Greg Frazier...Named All-State as a senior and All-District and All-City as a junior and senior. **Personal:** Daughter of Roy and Cynthia May...Health & Exercise Science major...Born on January 23, 1973.

SUPPORT STAFF

CORY ROGERS

Cory Rogers is in his first year as the Centenary Sports Information Director after serving five years as the student assistant SID.

Rogers oversees the publicity and promotions for all 14 NCAA Division I sports at Centenary and also serves as the Compliance Director for the athletic department.

As an undergraduate, Rogers was the baseball and soccer contact and was awarded the "Ace Higgins Award" for being the top student assistant SID in Louisiana as a senior.

Rogers, 23, is a native of Shreveport and a 1988 graduate of C. E. Byrd High School. He is a member of the College Sports Information Directors of America (CoSIDA).

GEOFF SHETLER

Geoff Shetler begins his first season as the Centenary Ladies softball SID. The Houston, TX, native began his duties this past fall when he served as an intern in the sports information department.

Shetler has been involved in many of the fall sports at Centenary, including men's and women's soccer and volleyball, where he has helped keep statistics and served as the public address announcer. He currently serves as music coordinator for all Centenary sporting events and will continue during softball season.

Now 19, Shelter is majoring in English. Shetler received the Operation Freshman award for outstanding admissions recruiting at Centenary for 1992-1993.

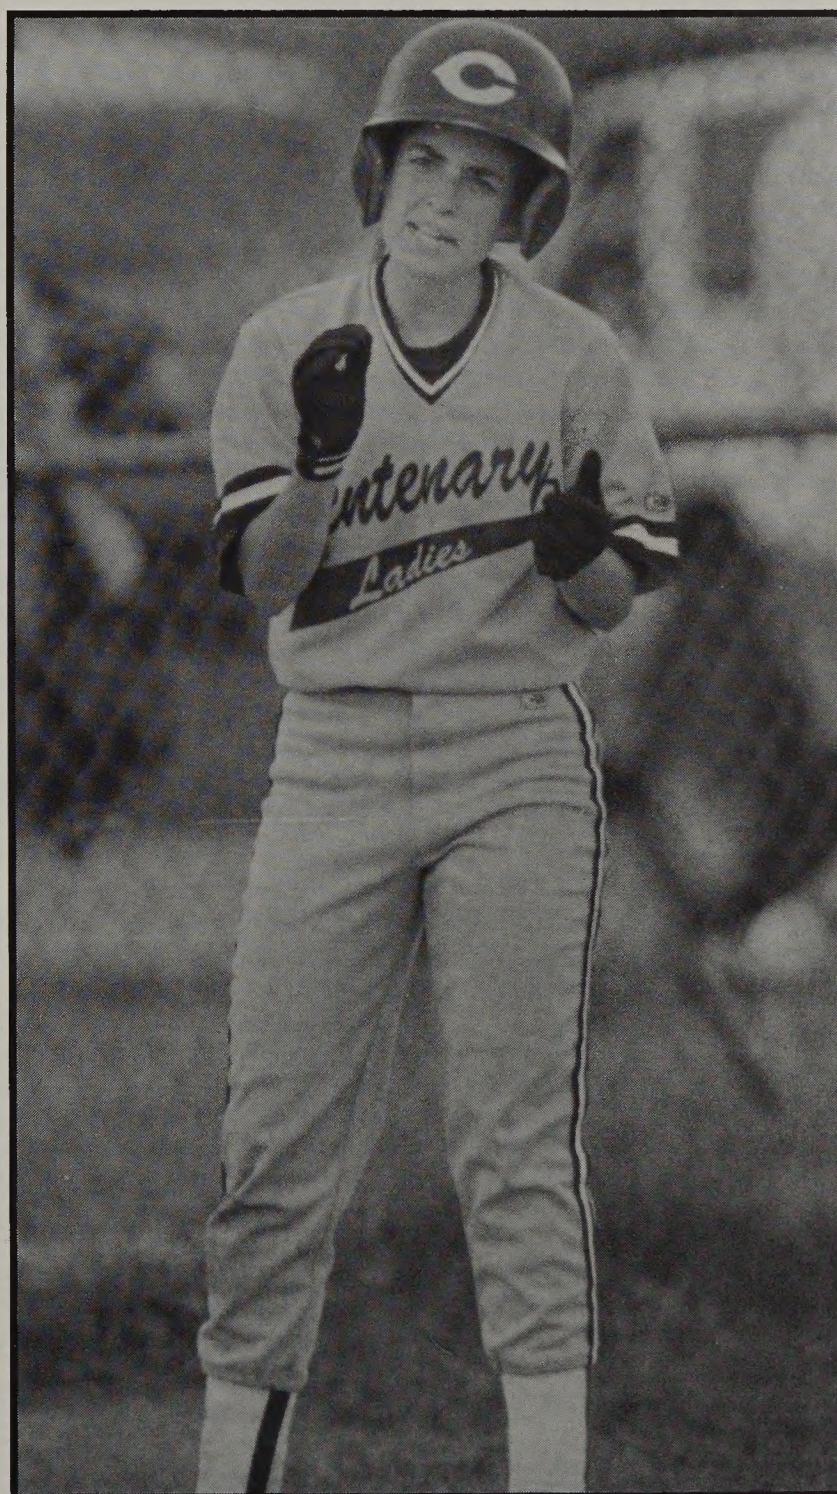

CARRIE BERRYMAN

Carrie Berryman is in her first year as the equipment manager for the Centenary Ladies Softball team.

A graduate of C. E. Byrd High School in Shreveport, LA, in 1992, Berryman will be responsible for the maintenance and handling of all Ladies softball equipment.

Berryman, a pre-law major with a minor in elementary education, played tennis for two years at Northwood high school. She was involved in the student council and Fellowship of Christian Athletes there all four years. She was elected president of her freshman class and was named to the honor roll as a senior.

At Centenary, she also works with the volleyball team during the fall and assists with the filming of Gent Basketball games.

Junior outfielder Lori May rallies the team from first base. Last season, the diminutive outfielder recorded 11 assists from the outfield.

1993 IN REVIEW

If the 1993 Centenary Ladies softball season was written in the form of a line graph, that line graph would have more peaks and valleys than the Himalayas. Exciting wins and disappointing losses made the 1993 season a roller-coaster ride most would like to forget.

The season started off in grand fashion as the Ladies travelled to Natchitoches, LA, to compete in the Northwestern State Tournament. Centenary opened the tournament on a hot streak, winning three games on the first day including a 5-4 victory over the host Northwestern State in extra innings and a 3-1 decision over TAAC foe Southeastern Louisiana. Junior third baseman **Julie Winton** led all hitters, going 4-10 with 4 RBI and a homerun on the day while junior pitcher **Donna Krolczyk** recorded wins in two of the three games. A loss to NSU gave the Ladies a second place finish, but junior shortstop **Kristy Risner** was named the Outstanding Defensive Player of the Tournament.

The Ladies would then split a doubleheader with Stephen F. Austin and get swept by Texas-Arlington before heading to Monroe, LA, to compete in the Northeast Louisiana Mardi Gras Classic. The Ladies would defeat the host NLU 5-1 as junior pitcher **Marnie Thornton** would improve to 5-2 on the year and SLU 5-1 after falling behind 4-0 on the first day then defeating NSU 2-0 and losing to Nicholls State on the next day to earn their second straight second place tournament finish. This time, the Ladies racked up even more hardware as Risner was again named the Outstanding Defensive Player of the Tournament. She was joined on the offensive end by senior centerfielder **Jamie Humphreys** who went 7-11 with a homerun, triple, four RBI, and three runs scored on the way to earning Outstanding Offensive Player of the Tournament. After splitting a doubleheader with area power Louisiana Tech, the Ladies were standing at 9-6 going into the Aggie Invitational at College Station, TX.

The Aggie Invitational would be the turning point for the Ladies as they would win only five more games from that point on. After getting edged by then #13 Kansas, the Ladies went into the seventh and final inning against then #10 Southwestern Louisiana (who would later finish third in the College World Series) with a 3-0 lead. The Lady Cajuns stormed back with three runs in the bottom of the inning to force extra innings and would score the game-winning run in the next inning. The Ladies would lose three games the next day but saw sophomore first baseman **Christie Hulsey** blast a two-run homerun against national power Texas A & M.

Centenary saw their five game losing streak continue until they swept the nightcap of a doubleheader with Northwestern State that had more than its share on controversy. With daylight quickly running out and trailing 3-1, the Ladies

The 1993 Ladies infield converges on the mound for a conference with pitcher Marnie Thornton. Last season, Thornton was tied for 5th in the TAAC with 7 wins.

scored two runs in the bottom of the sixth and took a 4-3 lead when designated player **Marnie Thornton's** third hit of the game scored sophomore **Kelly Griffin** from third. Northwestern State tried to bat in the top of the seventh and scored two runs to take a 5-4 lead when the umpires called the game due to darkness. Under ASA rules, the game reverts to the last completed inning which gave the Ladies the victory and snapped a losing skid.

After splitting yet another doubleheader with McNeese State, the Ladies would lose two games against Nicholls State and Northwestern State at the Patterson Invitational in Bossier City, LA. From there, they would travel to Lafayette and get swept by USL.

The Ladies would split a home doubleheader with Southeastern Louisiana and then get swept on the road in doubleheaders against both McNeese State and Louisiana Tech to ride a five-game losing streak into the Frost Cutlery Invitational in Chattanooga, TN on April 16-17.

At the Frost Cutlery Invitational, Centenary would be without the pitching services of Krolczyk who suffered from an elbow injury. The Ladies would lose to Furman 4-0 and would then suffer back-to-back one-run losses at the hands of McNeese State and South Florida. The Ladies would then trounce George Mason 9-2 behind Humphreys' and Griffin's three hits apiece. Three other Ladies would rack up two hits apiece as the Ladies recorded 14 hits (a season-high) and collected their biggest margin of victory of the season. Griffin also recorded her third straight game of the tournament in which she stole two bases.

The Ladies would split a doubleheader with NSU only to fall in their final doubleheader of the regular season against USL at the Centenary Softball Field before hosting the 1993 TAAC Tournament.

Unfortunately, the Ladies would make a brief appearance in the tournament as they lost to SLU 7-6 and then fell to Samford 5-1 with the lone offense in that game for the Ladies coming off a Hulsey blast, her team-leading third dinger of the season.

With that, the Ladies' turbulent 1993 season came to an end at 14-31. After starting out to a 9-6 mark, the Ladies would win only five more games. Jamie Humphreys would end an outstanding four-year career with the Ladies. The Ladies would also lose senior utility players **Shirley McDonald** and **Winton**. Still, there were some individual highlights at the end of the season. Risner and Krolczyk were named to the All-TAAC Team and Krolczyk was placed on the second team of the Louisiana Sports Writers Association Softball Team. The 1993 Centenary Ladies softball team will be remembered as a team that truly experienced the ups and downs of college softball.

Michele Hyden offers advice to senior pitcher Marnie Thornton. This season, Hyden should see more action on the mound, after playing in 30 games in 1993.

Senior Kristy Risner will once again be the heart of the Ladies defense in 1994. Last year, she earned All-TAAC honors as well as Outstanding Defensive Player awards in two tournaments.
